ST. LOUIS BICYCLE WORKS THANKS YOU!
To each and every wonderful rider, St. Louis Bicycle Works thanks you for joining us in the largest canned food drive by bicycle. Over the years, with your help, we have brought in over 50,000 food items.
St. Louis Bicycle Works is a program of Bworks. We work with multiple partners each year to reach over 500 local youth through our free programs.
Cranksgiving St. Louis was started by our volunteers wanting to commemorate our year’s work with great kids from all across St. Louis. What better way to celebrate than to give back to the community that has so generously taken care of us.
We want to give thanks to all the awesome volunteers that are so vital to the success of Cranksgiving and to Bworks in general.
