

Recycle That Bicycle

Is there a bicycle or wheeled object in your garage that is just taking up space? Have the tires gone flat, the chain broken, the gears no longer working? Think Green! Recycle that bike or, for that matter, anything with wheels, at Wildwood's "Recycle That Bicycle" event being held at Town Center on Saturday, June 9th, from 8:30 am to 12:30 pm. No matter the condition, donate your no longer wanted item with wheels to this worthwhile cause. All the items will be reconditioned by individuals working and training to make positive changes in their lives. The items will then be donated to this region's residents who are in need.

Items Accepted Include:

- ◆ Bicycles
- ◆ Tricycles
- ◆ Baby Strollers
- ◆ Scooters
- ◆ Wagons
- ◆ Any Non-motorized Item with Wheels, Including Parts

Donations are tax deductible

While at Town Center, visit the Farmer's Market! Hope to see you at Town Center on Saturday, June 9th, between 8:30 am and 12:30 pm.

This "Green" event is brought to you by the City of Wildwood and BicycleWORKS, a 501(c)3 not-for-profit organization founded in 1988 to give area "at-risk" youths a place to develop skills, interact with peers and caring adults, and safely challenge the limits of their abilities.
